Jumeirah Park is one of Dubai's most prestigious residential neighborhoods, with over 3,000 villas surrounded by verdant parks and green spaces spread across 380 hectares.

The luxurious villas at Jumeirah Park include three, four, and five bedrooms, plus swimming pools, beautiful gardens, and private terraces. Nakheel's first neighborhood retail center, Jumeirah Park Pavilion, opened in 2014. There are plenty of green spaces and parks in the community for families to relax.

This community retail center has 28 shops, restaurants, and cafes, as well as essential neighborhood services. Our Middle estate branch of Knight Frank can provide reassurance to our customers that their trust in us will never be shaken since we go the extra mile to do things right and seek excellence in everything we do.

If you would like more information or to arrange a viewing, please contact Alfie, our Knight Frank Jumeirah Park Specialist.
