Sobha Estates is limited to just a few signature mansions making it every investor's first opportunity to invest in high returns. There will be three clusters of 122 high-end homes, each with 11 mansions, 16 villas with six bedrooms, and 95 villas with five bedrooms. These homes will feature a remarkable contemporary style in addition to several facilities like patios, private swimming pools, and recreation spaces.

The developer concentrated on the project's environmental friendliness because these properties are largely marketed to families with children. The villas open into a lush park and offer private access to the beach and lagoon, which are both equipped for participating in water sports. Those who are sick of walking on Arabian sands will particularly enjoy strolling through the planted forest and seasonal gardens. It is located in a highly ideal region adjacent to Sobha Hartland and covers an area of eight million square feet.

Engel & Voelkers is one of the world's leading service companies specializing in the brokerage of residential and commercial properties, yachts and aviation, with 1000+ offices in over 30 countries.
