About this property

This highly motivated and urgent seller is willing to negotiate with the buyer to offer the best possible price.

Christie's International Real Estate Dubai is privileged to exclusively present this upgraded three-bedroom apartment in Sunrise Bay at Emaar Beachfront in the heart of Dubai. This brand new luxury residence reflects the essence of Miami-style maritime living and yachting culture.

The most striking feature of this spacious corner apartment are the exceptional panoramic vistas. Uniquely situated on a high floor, the beautiful views extend from the beachfront and marina to the open ocean and the Dubai Palm Jumeirah. Full sunlight floods the floor-to-ceiling space, and the spacious private balcony offers a delightful space to relax and enjoy the seafront and beachfront views, including breath-taking vistas over Dubai Marina, Bluewaters Island and Ain Dubai.

The modern, upgraded apartment is elegantly appointed with a large open plan living area and kitchen (fully equipped), a maid's room and three en-suite bedrooms. The spacious master bedroom includes walk-in closets.

Sunrise Bay is situated in a prime location in the Emaar Beachfront community of Dubai Harbour. Exceptional amenities include first-class gym, infinity swimming pool, all adjacent to 750m of perfectly manicured beachfront and a vibrant boulevard lined with luxury shops, cafes and restaurants. Dubai Harbour is only minutes from key Dubai destinations such as Palm Jumeirah, Dubai Marina, JLT, JBR and Emirates Hills.
