About this property

The Elysian Mansions are ultra-premium estates crafted with architectural integrity, inspired by the tranquil beauty of nature and the surrounding aqua waters. The boundaries between indoors and out blend beautifully for an exceptional experience, with sculptural lines and fine organic materials evoking an exclusive aura of barefoot luxury. A private paradise island emerges from crystalline Lagoon waters. Beyond white sandy beaches shaded by palm trees and bordered by verdant vegetation, exclusive estates sit in lush, landscaped gardens. A curated ultra-luxury retreat where the natural beauty of the environment takes centre stage, and an all-encompassing sense of peace pervades.

Tilal Al Ghaf is Majid Al Futtaim's mixed-use community in Dubai, offering luxury resort-like living around Lagoon Al Ghaf, a recreational lagoon with sandy white beaches. Spanning over 3 million square metres, the community will provide walkable neighbourhoods featuring high-quality villas, townhouses and apartments. These are connected by pathways, natural, open spaces and parks, complemented by vibrant retail, dining, leisure and cultural options.
