About this property

We are thrilled to advertise this contemporary One Za'abeel, Zabeel apartment listing from McCone Properties.

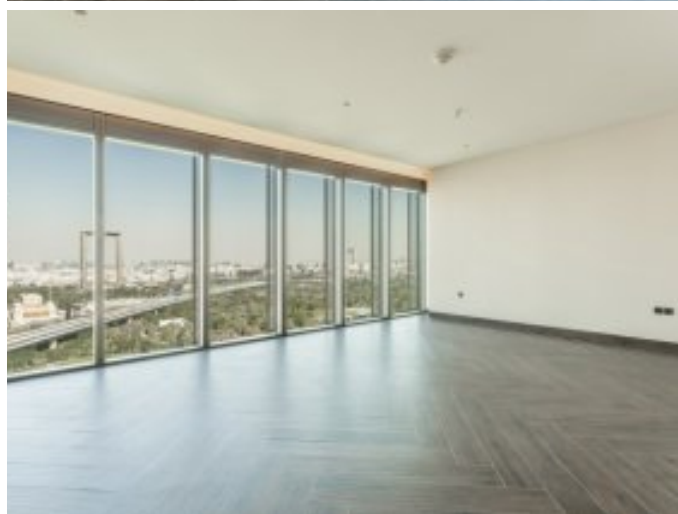

One of Dubai's most sought-after residential complexes is where this flat is located. The floor to ceiling windows in the bright, open-concept living area reveal stunning vistas. The spacious bedroom and well equipped kitchen are the only furnishings in the unfurnished space.

This property offers a 1-bedroom apartment equipped with kitchen appliances, spanning 1,158.52 sqft and boasting a parking space alongside a picturesque view of the Dubai Frame.

Located in the recently constructed One Za'abeel, this home ensures that you can access outstanding amenities and facilities that will improve your quality of life overall. Modern fitness facilities, an easy-to-use business center, an amazing swimming pool, a five-star hotel, a ton of excellent restaurants, and the longest cantilever bridge in the world are all available to residents.

To take advantage of this fantastic deal, you must move immediately.

Please do not hesitate to contact Sam McCone for any information.
