## About this property

Perched above the Dubai Canal, and with sweeping views of Downtown Dubai and Burj Khalifa, this 3-bed apartment in Business Bay's Volante Tower stuns. At 5034 sq. ft., the residence is indicative of Volante itself — an über-stylish Dubai address.

Uniquely for Volante, this apartment has originally been designed as a 3-bed residence. This allows for spacious interiors with Italian travertine and East African Zebrano wood covering the walls and floors. Soft colours and in-built lighting lend an intimate feel, balanced by the panoramic views from floor-to-ceiling windows and a sizeable balcony.

A kitchen with Miele appliances, wooden finishes and a counter with a green marble aesthetic supports, as does a smart home system.

Owing to the original design, the 3 bedrooms are vast and sunlit. A maid's room with access to a back-of-house kitchen supplements — ideal to host lavish gatherings, though Volante also offers an à la carte restaurant that can cater to private events.

It speaks to the elite tower amenities:

The Spa, a bespoke wellness facility with a steam room and spa

Landscaped terrace with an infinity pool

Interior lounge with coffee bar and cinema

Yoga and massage rooms

Hair, manicure and pedicure salons

Business centre

Concierge
