About this property

With an expected handover in December 2024, this five-bedroom villa in Dubai Hills' Golf Place will offer a tranquil lifestyle. 6121 sq. ft., and on an 8600 sq. ft. plot, the elegant residence enjoys lush park views via a sizeable terrace and floor-to-ceiling windows.

They look out upon an enticing outdoor pool, which neighbours sunken seating and a dedicated outdoor dining space, as well as a manicured garden.

This relaxed luxury flows into the interiors, which are spacious and Vastu-friendly. Meticulously designed, they enjoy a contemporary aesthetic in neutral colours and offer multiple spaces for private relaxation with family. Needless to say, all open out to the soothing outdoor spaces — solidifying the blurring between indoor and outdoor luxury in this home.

The bedrooms, meanwhile, are vast, with interiors inspired by the nature outside. Sophisticated and private, they nevertheless offer charming views. Six bathrooms accompany.

A maid's room enhances convenience, while residents can also avail two dedicated parking spots.

Dubai Hills itself is one of the city's most coveted neighbourhoods, with Golf Place in particular close to an array of leisure destinations including the Dubai Hills Golf Club and Dubai Hills Mall.
