## About this property

Experience ultra-luxurious living with this exquisite five-bedroom residence in Al Barari. 13,517.06 sq. ft., and on a 12,795 sq. ft. plot, the residence has been lavishly renovated and furnished to merge elegance with tranquility.

A wraparound pool entices residents outdoors, as do private terraces, landscaped gardens and an outdoor barbecue area that encourage relaxing amidst the natural beauty.

Inside, residents are greeted by a refined air evident in every meticulously crafted detail. Spacious interiors marry timeless beauty with modern functionality via materials like natural travertine, onyx and Italian marble flooring.

Near-earthly tones add to the light air here, with décor punctuated by splashes of colour. Other features range from sleek wall-panelling to lighting features that resemble black rods.

Residents can unwind in formal and informal living and dining areas, as well as multiple other spaces for rest and repose. A distinguished study offers calm and privacy, while dedicated staff quarters support.

The bedrooms, meanwhile, are cocoons of understated luxury, with softly coloured bedding, splashes of wooden walls and a pristine design. A glamorous walk-in closet accompanies; eight bathrooms add support.

Elite amenities further attract:

- Rooftop gym with breathtaking views
- Cinema room in basement with fully reclinable seats
- Bespoke wellness and recovery zone by Potenza Wellness
- Chef and service kitchens
