## About this property

Nestled in Ras Al Khaimah's Al Hamra Village, this two-bedroom hotel apartment is part of the luxurious Waldorf Astoria Residences. Totalling 3613 sq. ft., it enjoys partial sea views.

Operated by Hilton, the residence matches the grandeur of its surroundings. Residents can enjoy the views via a private terrace and floor-to-ceiling windows. They pour into the interiors, which have been meticulously crafted to create grand yet inviting living spaces. Polished marble floors underpin areas with earthy colours, contemporary finishes, modern fittings, designer-appointed features and curated artwork.

This is supported by a high-end smart-home system, as well as a kitchen with custom wooden and lacquer cabinetry, and state-of-the-art appliances.

The two bedrooms are similarly sophisticated, with sleek finishes, polished parquet, spacious wardrobes, curated artwork, and partial sea views.

Waldorf Astoria Residences itself overlooks not only the enchanting sea, but also the upcoming Wynn Al Marjan, and offers world-class amenities:

- Fitness centre and longevity spa
- Sports simulation room
- Cinema and cigar lounges
- Library
- Famed starlight terrace from Waldorf Astoria New York
- Waldorf Astoria resort facilities
- 9 world-class dining options
- Close to the Al Hamra Golf Club and the Royal Yacht Club of Ras Al Khaimah
