About this property

McCone Properties is thrilled to offer this expansive 6-bedroom duplex apartment, covering 12,550 sq. ft, at The Rings in Jumeirah. Developed by PMR, The Rings is a premier twin-tower residential project located along the scenic Dubai Water Canal. The development will feature 5 to 7-bedroom duplex and triplex apartments, with a flexible 60/40 payment plan and a projected completion date of Q4 2025.

Residents at The Rings will enjoy a wealth of high-end amenities. Each residence comes with a private elevator, garden, gym, swimming pool, grill station, cinema room, and air-conditioned garage. In addition, the building offers shared amenities, including a spa, wellness and beauty center, yoga studio, gym, children's play area, residents' lounge, and cigar lounge.

Jumeirah is one of Dubai's most coveted coastal locations, providing convenient access to key amenities such as supermarkets, schools, and shopping malls, as well as a range of leisure destinations. In the past year, apartment sales in Jumeirah have surpassed AED 3 billion, and there have been over 1,500 rental transactions in the area.

For more information on this exceptional project, please contact Arsen Gasparyan.
