## About this property

This six-bedroom villa is part of Jumeirah Golf Estates' upcoming Terra Golf Collection, and will offer family-friendly luxury when complete. Totalling 8034 sq. ft., the lavish home rests on a verdant golf course.

The villa enjoys a contemporary exterior comprising clean lines, rectangles and squares that nevertheless integrate with the surrounding nature. Multiple terraces and balconies overlook a glittering pool, beautifully landscaped garden and the golf course a step away.

Further villa amenities also entice:

- Cinema, bar and games room • Gym • Jacuzzi • Sustainable home automation • Parking for four cars

The interiors imbibe this relaxed luxury. Contemporary living spaces are grand, with a near-minimalist design featuring gleaming floors, elegant rugs, high ceilings in some areas, and comfortable décor in neutral colours. Floor-to-ceiling windows cradle the entire house, blurring the lines between indoor and outdoor calm.

A dedicated family lounge accompanies, while a bespoke elevator enhances resident convenience.

The six bedrooms, meanwhile, are sophisticated and private. They feature herringbone parquet in some rooms, elegant bedding, floor-to-ceiling windows and balcony access. 10 bathrooms accompany.
